FOUNDATION

A Word From Our Founder

Turtle Wing Foundation continues to amaze us. God has truly blessed our work and our mission. We are helping more, teaching more, learning more and growing more. This year was a very special year. Jack's classmates graduated high school and in honor of the senior class of 2019, Turtle Wing teamed up with Schulenburg I.S.D. and named this year, THE YEAR OF THE FLYING SHORTHORNS!

Together we furthered our mission to help all children become the best they can be. We grew wings in Kindness, Acceptance, Inclusion and Service by developing new character education programs and opportunities to give back to the community and to each other. Turtle Wing Foundation also awarded our first academic scholarships to three deserving SISD seniors. We will continue awarding these scholarships annually and are thrilled to announce that next year, we will accept applications from all high school seniors in our tri-county service area: Fayette, Lavaca and Colorado counties.

Thank you all for another wonderful year!
