A MESSAGE FROM OUR FOUNDER & PRESIDENT DEANN HOOPER

Turtle Wing Foundation begins with the heart. The heart of Turtle Wing is my son, Jack. Jack was diagnosed with high functioning autism and after he passed away suddenly at the age of 9, God used me to start a non-profit to help families and individuals who struggle with learning challenges in our rural area. That was 11 years ago and we have been capturing more pieces of our heart ever since. This year, our "I AM Turtle Wing" theme showcased the variety of Individuals Turtle Wing impacts and beautifully expressed how each of them is a piece of the heart of Turtle Wing. I am so very proud of our continual growth and success but we could not do what we do without you. To all of you, who contribute to our mission, provide funds for the services to our families, who share our story with others, your support of this foundation is so appreciated. THANK YOU for being a piece of the heart of Turtle Wing!
