FOUNDATION

A Word From Our Founder

"Turtle Wing Foundation is based on the amazing impact a child had on his parents, his family, his friends and his community. We see Jack as a perfect child created by God with worldly imperfections. But really and truly, Jack and the children we help inspire us all. They make us better! Fueled by this mantra, Turtle Wing is making our communities better, our world better. We will help our world see these children as the gifts they truly are. Turtle Wing will help these families thrive during the most difficult times in their lives. We will give them hope and put joy back into their lives."
